PUBLIC NOTICE OF HEARING
ON QWEST CORPORATION'S
APPLICATION FOR RENEWED
PRICE REGULATION PLAN, DE-
REGULATION OF SERVICES,
REQUEST FOR ARIZONA UNI-
VERSAL SERVICE FUNDING
AND ON THE INVESTIGATION
OF TELECOMMUNICATIONS
ACCESS CHARGES.
DOCKET NO. T-010518-03-
0454, ET AL.

On May 20, 2004, Qwest Corporation ("Qwest" or "Company") filed an application with the Arizona Corporation Commission ("Commission") for a renewed price regulation plan, deregulation of services, and request for Arizona universal service funding. This matter has been consolidated with the investigation of telecommunications access charges. Qwest has requested changes in rates for specific services, the introduction of a "competitive zone" test for competitive services, the elimination of the revenue cap on competitive services and greater flexibility in pricing competitive services. The actual rate changes for individual customers will vary depending upon the type and quantity of service provided. Copies of the Company's application and proposed tariffs are available at its office and the Commission's offices for public inspection during regular business hours. The Commission will hold a hearing on this matter beginning January 13, 2005, at 10:00 a.m. at the Commission's offices, 1200 West Washington, Phoenix, Arizona. Public comments will be taken on the first day of the hearing.

The law provides for an open public hearing at which, under appropriate circumstances, interested parties may intervene. Intervention shall be permitted to any person entitled by law to intervene and having a direct and substantial interest in the matter. Persons desiring to intervene must file a written motion to intervene with the Commission, which motion should be sent to the company or its counsel and to all parties of record, and which, at the minimum, shall contain the following:

1. The name, address, and telephone number of the proposed intervenor and of any party upon whom service of documents is to be made if different than the intervenor.
2. A short statement of the proposed intervenor's interest in the proceeding (e.g., a customer of the Company, a stockholder of the Company, etc.).
3. A statement certifying that a copy of the motion to intervene has been mailed to the Company or its counsel and to all parties of record in the case.

The granting of motions to intervene shall be governed by A.A.C. R14-3-105, except that all motions to intervene must be filed on or before October 9, 2004. The granting of intervention, among other things, entitles a party to present sworn evidence at hearing and to cross-examine other witnesses. However, failure to intervene will not preclude any customer from appearing at the hearing and making a statement on such customer's own behalf. All correspondence should contain the Docket No. T-010518-03-0454, et al.
